The Knabe

Piano....

The Knabe is the make of piano recommended as the best by Carreño, Stavenhagen, D'Albert, Grünfeld, Von Bulow and other great pianists. It is the one and only make of piano used by them in their American concert tours. The tone of the Knabe has been assiduously imitated for these sixty years past, but it has never been equalled.

So great is the popularity of the Knabe that we are constantly in receipt of shipments from the factories—so Knabe purchasers are always assured of the very latest thought in piano making. The new Knabe case designs in rare fancy woods are a revelation; they have received unstinted praise from the most critical judges. You cannot fail to profit by seeing them. Our salesrooms are so spacious that callers can thoroughly enjoy a visit of inspection.

P R E F A C E .

WE herewith present the Eighth issue of the CHICAGO BLUE BOOK. We wish to thank our lady patrons for the appreciation they have shown our efforts, and trust that this volume will retain the high place in their favor, which we have won, and will endeavor to hold.

Neither time nor money have been spared to make the work as complete and valuable as possible. The difficulty however attending the compiling of such a book can be easily appreciated; and we therefore trust that any omissions will be brought to our notice, that they may be corrected in future. We keep the entire work standing in type, that such corrections can be made promptly; and in this way we hope to make the Chicago Blue Book as nearly perfect as it is possible to make such a volume.

The title, "BLUE BOOK," is simply a name given the work on account of its *blue* cover. It does not refer to blue blood, as many people suppose. Webster's definition of Blue Book is as follows: "BLUE BOOK—A parliamentary publication, so called from its blue paper cover, such being commonly used; *also, a book containing a list of fashionable addresses.*"

We do not claim the BLUE BOOK to be either a City Directory or absolutely an Elite Directory; neither do we pretend to pass upon the social or financial standing of the parties whose names are contained therein. It is simply a compilation of thirty thousand names of the most prominent householders of Chicago, and suburbs within a radius of thirty miles, published in the most convenient form for reference by our lady patrons.

While retaining all the old features, such as Calling Days in the Street List, and Summer Residences in Alphabetical List, we have added very materially to our Miscellaneous Information, Club Lists, Churches, etc.

We shall always be pleased to receive any suggestions from our lady patrons whereby we can enhance the value of this work to them, or any

information regarding Social or Literary Clubs and Associations, which we have not already incorporated in our volume. The data of this work have not been compiled from circulars or information out of other Directories, but experienced men, particularly adapted for such work, have been assigned to each locality, and the greatest care has been used in selecting these names. In order to issue the book before the Holidays, it is necessary for us to commence our canvass early in September. We would therefore deem it a great favor if those absent from their homes after October 1st would send us the information which they wish inserted, as it is not safe to take it from servants, or anyone except the parties interested.

# GARDEN CITY Carpet Cleaning Co.

Main Office, 278 N. Clark St.

Works, 42-44 Michigan St.

**W**E USE the Famous Steam Carpet Cleaning Machines, manufactured especially for us. A powerful exhaust ventilator, running at a high rate of speed and in connection with each machine removes all dust and gases from your carpets and thoroughly airs them.

**"THE BEST IS ALWAYS THE CHEAPEST."**

If it pays to take up carpets at all, it certainly pays to have them well cleaned; this cannot be done by hand. We do work in all kinds of weather and all the year round. We take up, clean, scour, refit, make, lay, pack and ship, as desired, by the best of workmen. We store large quantities during the summer months, packing them in camphor and insuring them while in our possession. Our process of cleaning is conceded by all to be a success, causing no abrasion of the surface, straightening the nap and brightening the colors, thereby removing every particle of dust and dirt. We were the first to introduce these machines, and have a capacity of 1,000 yards a day.

**N. F. AUW, Manager.**

## High-Class Engravings and Etchings

Both Old and Modern

Artists' Drawings: Fine Picture Frames

Paris, New York

...and...

1 Van Buren St., Chicago

MESSRS. KEPPEL & CO. make a Specialty of those Engravings and Etchings (both old and modern) which have taken definite rank as being the best works of the best artists, and which are so designated in the standard books of reference on the subject.

Such Works of Art are of permanent and often of increasing value, although the prices of many of them are very moderate, and their rarity renders them all the more desirable as choice possessions.

# THE... ONLY ONE

The Chicago Milwaukee & St. Paul Railway is the only line running solid Vestibuled, Electric Lighted and Steam Heated trains between Chicago, Milwaukee, St. Paul and Minneapolis.

The Chicago, Milwaukee & St. Paul Railway is the only line running solid Vestibuled, Electric Lighted and Steam Heated trains between Chicago, Council Bluffs and Omaha.
